

Calistoga Wayside Inn
1523 Foothill Blvd
Calistoga, CA 94515

The directions to the Wayside are as follows:

Travel north on Highway 29 to Calistoga. As you approach Calistoga you will come to a blinking traffic light. At this point Hwy 29 takes a right turn into downtown Calistoga. Don't turn right. Travel straight through the intersection. You will be on Foothill Blvd (Route 128) at that point. The Wayside is 4 blocks north on the left side of the street across from Silver St., just past Berry St.

Alternate route from Highway 101

Take Mark West Springs exit (4 miles north of Santa Rosa), go east following signs to Calistoga. Turn left at Petrified Forest Road. Petrified Forest Road ends at Route 128 (Foothill Blvd). Turn right. The Wayside is about 1 mile down on the right at 1523 Foothill Blvd, just across from Silver St. If you reach Berry Street you have gone too far and will need to turn around.

Once at the inn, drive down the right hand driveway to just past the house, and park at the back of the house on the gravel parking area in front of the 3 car garage. Come down the path to the door off the back patio and enter here.
